Press Release

There are countless artists who have sung, painted, danced, and photographed love. Love, which makes the earth go round, which gives meaning to our lives, and which we would like to be synonymous with forever. Unsurprisingly, our artists are much inspired by the theme, from Venice to Paris, from bouquets of flowers to couples flirting. So this Valentine's Day, we'd like to express it to you with art, here is a selection full of love. All you need is love...
