From 11 July 2022 to 17 July 2022

Press Release

France will be in celebratory mood this week, and no fireworks will be grand enough to represent our pride in belonging to a country where art and culture are so important. With its remarkable history and geographical diversity, this is a country full of treasures: it would take a lifetime to know them in depth. So let us celebrate the blue, white and red and all the other colours of France. Long live Bastille Day!
