Press Release

Nestled in the heart of the village of Passy, in the 16th arrondissement, is the home of the most famous of the Romantic writers: Balzac. It is a small green sanctuary in what used to be a village on the outskirts of Paris. And at the moment, the Lost (Conjugal) Illusions exhibition on the setbacks of marriage in the 19th century is the perfect getaway for Valentine's Day, reminding us that we live in a time when marriage is joyful! Our artists also know how to inject romance into their work, so here's a selection for the week of love. Love is in the air!
